## **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: claim 16, line 2, "1 interlayer" has been changed to ---interlayer---.

2. The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest an electroluminescence display device comprising, in combination with the remaining features of the claims, a first electrode of an EL element directly disposed on a substrate wherein a portion of the electroluminescence element's first electrode contacts the portion of at least one of the source electrode and the drain electrode of a thin-film transistor that is directly disposed on the substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Vu whose telephone number is (571) 272-1831. The examiner can normally be reached on M-F 8am-430pm.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
